Abstinence

- Abstinence is forgiveness only when there is power to punish; it is meaningless when it pretends to proceed from a helpless creature. \( T-2-4 \)

Abuse

- The best way of losing a cause is to abuse your opponent and to trade upon his weakness. \( T-51 \)

Action

- Action for one’s own self binds, action for the sake of others delivers from bondage. \( T-2-278 \)
- *My Gita* tells me that evil can never result from good action. \( XXV-520 \)
- What is faith worth if it is not translated into action? \( T-5-180 \)

Administration

- You assist an administration most effectively by obeying its orders and decrees. An evil administration never deserves such allegiance. \( T-3-26 \)

Advaita

- I believe in *advaita*, I believe in the essential unity of man and, for that matter, of all that lives. \( XXV-390 \)

Affliction

- Every affliction has its own rich lesson to teach, if we would learn it. \( T-8-24 \)
Africa

- The commerce between India and Africa will be of ideas and services, not of manufactured goods against raw materials after the fashion of the Western exploiters. *T-7-46*

Aggressor

- The aggressor always had a purpose behind his attack; he wanted something to be done, some object to be surrendered by the defender. *T-8-86*

Agriculture

- To forget how to dig the earth and tend the soil is to forget ourselves. *MM-364*
- Weeding is as necessary to agriculture as sowing. *MM-182*
- Agricultural colleges to be worthy of the name must be self-supporting. *EWE-26*

Ahimsa

- *Ahimsa* is the highest ideal. It is meant for the brave, never for the cowardly *T-7-128*.
- *Ahimsa* is the eradication of the desire to injure or to kill. *XIV-463*
- *Ahimsa* is not a matter of mere dietetics: it transcends it. *MM-117*
- *Ahimsa* is the highest duty. Even if we cannot practice it in full, we must try to understand its spirit and refrain as far as is humanly possible from violence. *T-7-61*
- *Ahimsa* means infinite love, which again means infinite capacity for suffering. *MM-295*

- *Ahimsa* is an attribute of the brave. Cowardice and *ahimsa* don’t go together any more than water and fire. *T-5-83*

- *Ahimsa* in theory no one knows. It is as indefinable as God. *T-5-248*

- The highest religion has been defined by a negative word: *ahimsa*. *MM-425*

- *Ahimsa* is one of the world’s great principles, which no power on earth can wipe out. *MM-147*

- *Dharma* is one and one only. *Ahimsa* means *moksha*, and *moksha* is the realization of Truth. *MOG-117*

- Love and *ahimsa* are matchless in their effect. *TIG-57*

- Love in the sense of *ahimsa* has only a limited number of votaries in the world. *T-3-144*

- *Ahimsa* is the attribute of the soul, and therefore, to be practised by everybody in all the affairs of life. *MM-24*

- *Ahimsa* is the strongest force known. *T-5-307*

- *Ahimsa* is the height of *Kshatriya dharma* as it represents the climax of fearlessness. *XXV-563*

- The fullest application of *ahimsa* does make life impossible. *XXVI-335*

- The most distinctive and largest contribution of Hinduism to India’s culture is the doctrine of *ahimsa*. *T-2-341*

- True *ahimsa* should mean a complete freedom from ill-will and anger and hate and an overflowing love for all. *T-2-318*

- *Ahimsa* and love are one and the same thing. *TIG-19*

- *Ahimsa* and Truth are so intertwined that it is practically impossible to disentangle and separate them. *TIG-37*
• **Ahimsa** is my God, and Truth is my God. *MM-24*

• Truth and **ahimsa** will never be destroyed. *T-5-245*

• The principle of **ahimsa** is hurt by every evil thought, by undue haste, by lying, by hatred, by wishing ill to anybody. *TIG-36*

• **Ahimsa** calls for the strength and courage to suffer without retaliation, to receive blows without returning any. *T-7-75*

• **Ahimsa** can be practiced only towards those that are inferior to you in every way. *XIV-463*

• **Ahimsa** was preached to man when he was in full vigor of life and able to look his adversaries straight in the face. *XIV-476*

• The greater the realization of truth and **ahimsa**, the greater the illumination. *XXV-521*

• The path of Truth is as narrow as it is straight. Even so is that of **ahimsa**. *TIG-36*

• Use truth as your anvil, nonviolence as your hammer and anything that does not stand the test when it is brought to the anvil of truth and hammered with ahimsa, reject as non-Hindu. *XXVI-374*

• The removal of untouchability is one of the highest expressions of **ahimsa**. *T-4-239*

• Cow-protection can only be secured by cultivating universal friendliness, i.e. **ahimsa**. *XXV-520*

• **Ahimsa** is a science. The word ‘failure’ has no place in the vocabulary of science. *T-5-81*

• **Ahimsa** magnifies one’s own defects, and minimizes those of the opponent. It regards the mole in one’s own eye as a beam and the beam in the opponent’s eye as a mole. *T-5-91*
• *Ahimsa* must be placed before everything else while it is professed. Then alone it becomes irresistible. *T-5-127*

• *Ahimsa* must express itself through acts of selfless service of the masses. *T-5-81*

• *Ahimsa* is no mere theory with me, but it is a fact of life based on extensive experience. *T-7-402*

• *My ahimsa* is my own. I am not able to accept in its entirety the doctrine of non-killing of animals. *MM-429*

• What is it but my *ahimsa* that draws thousands of women to me in fearless confidence? *T-5-291*

• Truth is my religion and *ahimsa* is the only way of its realization. *T-4-250*

• Truth and *ahimsa* demand that no human being may debar himself from serving any other human being, no matter how sinful he may be. *XXVI-374*

• One who hooks his fortune to *ahimsa*, the law of love, daily lessens the circle of destruction and to that extent promotes life and love. *T-4-33*

• *My anekantavada* is the result of the twin doctrines of *satya* and *ahimsa*. *TIG-12*

• When two nations are fighting, the duty of a votary of *ahimsa* is to stop the war. *TIG-40*

• *My ahimsa* would not tolerate the idea of giving a free meal to a healthy person who has not worked for it in some honest way. *MM-194*

• *Ahimsa* and Truth are my two lungs. I cannot live without them. *MM-425*

• *My errors have been errors of calculation and judging men, not in appreciating the true nature of truth and ahimsa or in their application. T-2-204*

• Indeed, these errors and my prompt confessions have made me surer, if possible, of my insight into the implications of truth and *ahimsa*. *T-2-204*
- All my experiments in Ahimsa have taught me that nonviolence in practice means common labour with the body. *T-5-225*

- Whatever strength the masses have is due entirely to *ahimsa*, however imperfect or defective its practice might have been. *T-7-147*

- True *ahimsa* should wear a smile even on a deathbed brought about by an assailant. It is only with that *ahimsa* that we can befriend our opponents and win their love. *T-5-243*

- If our *ahimsa* is not of the brave but of the weak, and if it will bend the knee before *himsa*, Gandhism deserves to be destroyed. *T-5-242*

- The alphabet of *ahimsa* is best learnt in domestic school and I can say from experience that if we secure success there, we are sure to do so everywhere else. *T-5-304*

- A votary of *ahimsa* always prays for ultimate deliverance from the bondage of the flesh. *MM-425*

- A steadfast pursuit of *ahimsa* is inevitably bound to truth-not violence. *MM-118*

- I see a clear breach of *ahimsa* even in driving away monkeys; the breach would be proportionately greater if they have to be killed. *T-2-322*

- A votary of *ahimsa* cannot subscribe to the utilitarian formula (of the greatest good of the greatest number). He will strive for the greatest good of all and die in the attempt to realize that ideal. *TIG-139*

- Woman is the incarnation of *ahimsa*. (*Ahimsa* means infinite love, which again means infinite capacity for suffering.) *T-5-227*

- Woman is more fitted than man to make explorations and take bolder action in *ahimsa*. *MM-294*

- Unless the *charkha* adds to your *ahimsa* and makes you stronger every day, your Gandhism is of little avail. *T-5-242*
• *Khadi* has been conceived as the foundation and the image of *ahimsa*. A real *khadi*-wearer will not utter an untruth. A real *khadi*-wearer will harbour no violence, no deceit, no impurity. *T-4-21*

• In Swaraj, based on *ahimsa*, people need not know their rights, but it is also necessary for them to know their duties. *MM-135*

• No power on earth can subjugate you when you are armed with the sword of *ahimsa*. It ennobles both the victor and the vanquished. *T-7-11*

• The votary of *ahimsa* has only one fear, that is, of God. *MM-12*

• A votary of *ahimsa* must cultivate the habit of unremitting toil, sleepless vigilance, ceaseless self-control. *T-5-80*

• It is against the spirit of *ahimsa* to overawe even one person into submission. *T-7-388*

• The richest grace of *ahimsa* will descend easily upon the owner of hard discipline. *MM-127*

• Love, otherwise *ahimsa*, sustains this planet of ours. *MM-127*

• In an atmosphere of *ahimsa*, one has no scope to put his *ahimsa* to the test. It can be tested only in the face of *himsa*. *T-5-90*

• A soldier fights with an irresistible strength when he has blown up his bridges and burnt his boats. Even so, it is with a soldier of *ahimsa*. *T-5-127*

• Man lives freely by his readiness to die, if need be, at the hands of his brother, never by killing him. *MM-122*

• The strength to kill is not essential for self-defence; one ought to have the strength to die. *T-3-3*

• If the lambs of the world had been willingly led, they would have long ago saved themselves from the butcher’s knife. *T-2-52*

• If the circulation of blood theory could not have been discovered without vivisection, the human kind could well have done without it. *MM-426*
The scriptures of Christians, Mussalmans and Hindus are all replete with the teaching of *ahimsa*. *XXV-521*

By *ahimsa* we will be able to save the cow and also win the friendship of the English. *XXV-520*

---

**Anekantavad**

*My anekantavad* is the result of the twin doctrine of *satya* and *ahimsa*. *TIG-12*

---

**Anger**

- Fasts could not be undertaken out of anger. Anger was a short madness. *T-8-5*
- True *ahimsa* should mean a complete freedom from ill-will and anger and hate and an overflowing love for all. *T-2-318*
- The hardest heart and the grossest ignorance must disappear before the rising sun of suffering without anger and without malice. *XXVI-159*

---

**Angle**

- Rectify one angle of a square and the other angles will be automatically right. *MM-91*

---

**Appeasement**

- A friendly approach is not one of appeasement. An appeasement is possible between enemies. *T-8-4*
- In no case can there be any appeasement at the cost of honour. Real appeasement is to shed all fear and do what is right at any cost. *T-7-29*
Epigrams From Gandhiji | www.mkgandhi.org

Armaments

- If the mad race for armaments continues, it is bound to result in a slaughter such as has never occurred in history. *MM-4*
- For India to enter into the race for armaments is to court suicide. *T-5-178*

Army

- The power of unarmed nonviolence is any day far superior to that of armed force. *T-4-252*
- What faith can you place in a general or a soldier who lacks resolution and determination, who says 'I shall keep guard as long as I can'? *T-2-365*
- No general ever won a victory by following the principle of 'being vigilant so long as he could'. *T-2-365*

Art

- Art to be art must soothe. *MM-56*
- All true art must help the soul to realize its inner self. *XXV-248*
- Purity of life is the highest and truest art. *MM-57*
- True art must be evidence of happiness, contentment and purity of its authors. *T-2-56*
- True art takes note not merely of form but also of what lies behind. *MM-56*
- The art that is in the machine-made article appeals only to the eye, the art in *khadi* appeals first to the heart and then to the eye. *T-3-292*
- The art of producing good music from a cultivated voice can be achieved by many, but the art of producing that music from the harmony of a pure life is achieved very rarely. *TIG-109*
• A life of sacrifice is the pinnacle of art, and is full of true joy. *MOG-21*
• Whatever can be useful to those starving millions is beautiful to my mind. *MM-56*
• I consider writing as a fine art. We kill it by imposing the alphabet on little children and making it the beginning of learning. *T-4-164*
• A semi-starved nation can have neither religion nor art nor organization. *T-2-251*
• Why should I need an artist to explain a work of art to me? Why should it not speak out to me itself? *T-4-93*
• Painters and poets are obliged to exaggerate the proportions of their figures in order to give true perspective. *T-2-215*
• To a true artist only that face is beautiful which, quite apart from its exterior, shines with the truth within the soul. *T-2-159*

---

**Asceticism**

• By all means drink deep of the fountains that are given to you in the Sermon on the Mount, but then you will have to take sackcloth and ashes. *T-2-296*

---

**Astrology**

• I know nothing of the science of astrology and I consider it to be a science, if it is a science, of doubtful value, to be severely left alone by those who have any faith in Providence. *T-2-314*

---

**Atheist**

• God is conscience. He is even the atheism of the atheist. *TIG-10*
Atom Bomb

- The atom bomb brought an empty victory to the Allied armies, but it resulted for the time being in destroying the soul of Japan. *TIG-142*

- So far as I can see, the atomic bomb has deadened the finest feeling that has sustained mankind for ages. *TIG-1*

---

Autocracy

- Mobocracy is autocracy multiplied a million times. *XXV-531*
Banker

- Even as a banker cannot run a bank if he has nothing in his chest, so can a general not lead a battle if he has no soldiers on whom he can rely implicitly. *T-5-31*

Basic Education

- Basic education links children, whether of cities or villages, to all that is best and lasting in India. *EWE-24*
- The object of basic education is the physical, intellectual and moral development of children through the medium of handicraft. *EWE-24*

Beast

- Every species, human and subhuman, has some distinguishing mark, so that you can tell a man from a beast, or a dog from a cow. *T-3-280*

Beauty

- The beauty of poetry is that the creation transcends the poet. *MOG-15*
- When I admire the wonder of a sunset or the beauty of the moon, my soul expands in worship of the Creator. *T-2-160*
- All truths, not merely ideas, but truthful faces, truthful pictures or songs, are highly beautiful. *T-2-159*
- To a true artist only that face is beautiful which, quite apart from its exterior, shines with the truth within the soul. *T-2-159*
- People generally fail to see beauty in truth, the ordinary man runs away from it and becomes blind to the beauty in it. *T-2-159*
Truth is the first thing to be sought for, and Beauty and Goodness will then be added unto you. XXV-255

---

Bhagavadgita (Gita)

- The *Gita* is not for those who have no faith. T-2-312
- The Gita distinguishes between the powers of light and darkness and demonstrates their incompatibility. MM-94
- The Gita is not an aphoristic work, it is a great religious poem.T-2-312
- Salvation of the Gita is perfect peace. T-2-309
- A literal interpretation of the Gita lands one in a sea of contradictions.XXVI-289
- The renunciation of the Gita is the acid test of faith.T-2-310
- The sanyasa of the Gita is all work and yet no work.T-2-312
- The sanyasa of the Gita will not tolerate complete cessation of activity.T-2-31
- Devotion required by the Gita is no soft-hearted effusiveness.T-2-309
- The Bible is as much a book of religion with me as the Gita and the Koran.MM-98
- Self-realization is the object of the Gita, as it is of all scriptures.MOG-4
- The object of the Gita appears to me to be that of showing the most excellent way to attain self-realization.TIG-98
- The message of the Gita is to be found in the second chapter of the Gita where Lord Krishna speaks of the balanced state of mind, of mental equipoise.T-5-21
- Time is wealth, and the Gita says the Great Annihilator annihilates those who waste time. T-2-274
• According to the letter of the Gita, it is possible to say that warfare is consistent with renunciation of fruit. T-2-312

• The path of bhakti, karma and love as expounded in the Gita leaves no room for the despising of man by man. T-2-278

• I have felt that the Gita teaches us that what cannot be followed in day-to-day practice cannot be called religion. T-2-311

• My Gita tells me that evil can never result from a good action. XXV-520

• The Gita is not only my Bible and my Koran, it is more than that, it is my mother. MM-95

• I find a solace in the Bhagavadgita and Upanishads that I miss even in the Sermon on the Mount. MM-94

• The Gita has become for me the key to the scriptures of the world. T-4-76

• Let the Gita be to you a mine of diamonds, as it has been to me; let it be your constant guide and friend on life’s way. T-2-307

• My life has been full of external tragedies and if they have not left any visible effect on me, I owe it to the teaching of the Bhagavadgita. MOG-40

• In the characteristics of the perfected man of the Gita, I do not see any to correspond to physical warfare. MOG-3

• I still somehow or other fancy that "my philosophy" represents the true meaning of the teaching of the Gita. XXVI-140

• Untouchability, I hold, is a sin, if Bhagavadgita is one of our Divine Books. XXVI-349

• In order that knowledge may not run riot, the author of the Gita has insisted on devotion accompanying it and has given it the first place. T-2-309

• The lives of Zoroaster, Jesus and Mohammed, as I have understood them, have illumined many a passage in the Gita. T-3-181
• The Krishna of the Gita is perfection and right knowledge personified, but the picture is imaginary. TIG-98

• A devotee of Rama may be said to be the same as the steadfast one (sthitaprajnya) of the Gita. TIG-111

• The seeker is at liberty to extract from this treasure any meaning he likes, so as to enable him to enforce in his life the central teaching. T-2-312

• To one who reads the spirit of the Gita, it teaches the secret of nonviolence, the secret of realizing self through the physical body. MOG-16

• What the Sermon* describes in a graphic manner, the Bhagavadgita reduces to a scientific formula. MM-68

  * The Sermon on the Mount

Birth

• Birth and death are no two different states, but they are different aspects of the same state. XXV-333

• The whole world is in the throes of new birth. Anything done for temporary gain would be tantamount to an abortion. T-5-273

Birth Control

• Self-control is the surest and the only method of regulating the birthrate. Birth control by contraceptives is race suicide. T-2-226

Blame

• Blaming the wolf would not help the sheep much. The sheep must learn not to fall into the clutches of the wolf. T-5-10
Bolshevism
See *Communism*

Bone
- Every bone picked up is valuable raw material from which useful articles can be made or which can be crushed into rich manure. *T-4-17*

Boycott
- Boycott brought about anyhow of British cloth cannot yield the same results as boycott brought about by hand spinning and khaddar. *XXV-475*
- So long as we have to rely on the pins and the needles, figurative and literal, we cannot bring about a complete boycott of foreign goods. *T-2-14*
- I boycott foreign goods, not foreign ability. *Bunch-268*
- We are aware that the business of Swaraj will thrive only if the boycott of foreign cloth is successful. *XXV-578*
- If the people resolve and carry out this programme of boycott and swadeshi, they would not have to wait for Swaraj even for a year. *T-2-27*

Brahmins-Brahminism
- The Brahmin is the finest flower of Hinduism and humanity. I will do nothing to whither it. *XXVI-331*
- Brahmins are born, not so Brahminism. It is a quality open to be cultivated by the lowliest or the lowest among us. *XXVI-331*
- A true Brahmin should be the very image of humility and not be proud of his knowledge or wisdom. *T-3-270*
- A Brahmin is hardly worth the name, if he did not have the courage of his convictions. *T-3-270*
• The Brahmin’s duty is to look after the sanitation of the soul, the *bhangi*’s that of the body of society. *T-4-104*

• Where is the real Brahmin today, content with a bare living and giving all his time to study and teaching? *T-5-97*

• I have the highest reverence for Brahminism, under which a class has been set apart from generation to generation for the exclusive pursuit of divine knowledge and consigned to voluntary poverty. *T-3-195*

• I would not have the non-Brahmins to rise on the ruin of the Brahmins. *XXVI-331*

• Swear all you are worth, if you like, against Brahmins, but never against Brahminism. *T-2-283*

• The ideal *bhangi* of my conception would be a Brahmin par excellence, possibly even excel him. *T-4-104*

---

**Brave-Bravery**

• Bravery is not man’s monopoly. *MM-297*

• Bravery is not a quality of the body, it is of the soul. *MM-61*

• Nonviolence is the summit of bravery. *T-2-131*

• Bravery on the battlefield is impossible for us. Bravery of the soul still remains open to us. *T-5-128*

• I see neither bravery nor sacrifice in destroying life or property for offence or defence. *T-6-67*

• Mere brave speech without action is letting off useless steam. *T-2-325*

• True *paurusha*, true bravery, consists in driving out the brute in us. *XV-157*

• Unexampled bravery, born of nonviolence, coupled with strict honesty shown by a fair number of Muslims, was sure to infect the whole of India. *T-8-176*
• The art of dying bravely and with honour does not need any special training, save a living faith in God. MM-302

• Of all the superstitions that affect India, none is so great as that a knowledge of the English language is necessary for imbibing ideas of liberty and developing accuracy to thought. *EWE-10*

• The canker has so eaten into the society that in many cases the only meaning of education is a knowledge of English. *EWE-11*

• We Hindus and Mohamedans would have to blame our folly rather than the English, if we allowed them to put us asunder. *X-30*

• It would be a sad day for India if it has to inherit the English scale and the English tastes so utterly unsuitable to the Indian environment. *T-2-18*

• My heart rebels against any foreigner imposing on my country the peace which is here called *Pax-Britannica*. *T-2-201*

• Christianity in India is inextricably mixed up for the last hundred and fifty years with the British rule. *T-2-341*

• No matter what the cause was and wherever it was, Indian governments must never requisition the services of British soldiers to deal with civil disturbances. *T-7-359*

• There is as much need for a change of heart among the Hindus and Mussalmans as there is among the British, before a proper settlement is arrived at. *XXVI-233*
Let us learn from the English rulers the simple fact that the oppressors are blind to the enormity of their own misdeeds. XXV-397

The Britisher is the top dog and the Indian the underdog in his own country. T-3-71

That I want to destroy British imperialism is another matter, but I want to do so by converting those who are associated with it. T-4-93

India is less manly under the British rule than she ever was before. T-2-100

The British power is the overlord without whom Indian princes cannot breathe. T-5-192

My conception of dominion status implies present ability to sever the British connection if I wish to. T-2-382

The British are weak in numbers, we are weak in spite of our numbers. T-2-20

My motto is “Unite now, today if you can; fight if you must. But in every case avoid British intervention.” XXVI-233

Will Great Britain have an unwilling India dragged into war or a willing ally co-operating with her in the prosecution of a defence of true democracy? T-5-167

Boycott brought about anyhow of British cloth cannot yield the same results as such boycott brought about by hand-spinning and khaddar. XXV-475

I must fight unto the death the unholy attempt to impose British methods and British institutions on India. XXV-489

The Indian struggle is not anti-British, it is anti-exploitation, anti-foreign rule, not anti-foreigners. T-5-255

What senseless violence does is to prolong the lease of life of the British or foreign rule. T-7-194
• Our nonviolence vis-à-vis the British Government has been the nonviolence of the weak. *MM-349*

• I believe in the capacity of India to offer nonviolent battle to the English rulers. *XXV-489*

• The builders of the British Indian Empire have patiently built its four pillars—the European interests, the army, the Indian princes and the communal divisions. *T-5-237*

• The collectors of revenue and the policeman are the only symbols by which millions in India’s villages know British rule. *T-7-215*

• It was not through democratic methods that Britain bagged India. *T-5-277*

• For my own part, I do not want the freedom of India if it means extinction of English or the disappearance of Englishmen. *T-2-200*

• It is derogatory to the dignity of mankind, it is derogatory to the dignity of India, to entertain for one single moment hatred towards Englishmen. *T-2-199*

• If you must kill English officials, why not kill me instead? *T-3-102*

• I am just not thinking of India’s deliverance. It will come, but will it be worth if England and France fall, or if they come out victorious over Germany ruined and humbled? *T-5-161*

• I claim to have been a lifelong and wholly disinterested friend of the British people. *T-5-295*

• *My attitude towards the British is one of utter friendliness and respect. XXVI-52*

• I may fight the British ruler, but I do not hate the English or their language. In fact, I appreciate their literary treasures. *T-4-93*

• *By ahimsa we will be able to save the cow and also win the friendship of the English. XXV-520*
Equality

- Equality of sexes does not mean equality of occupations. *MM-296*
- Economic equality of my conception does not mean that everyone will literally have the same amount. *MM-267*
- The real meaning of economic equality is “To each according to his need.” *MM-267*
- What is equality of rights between a giant and a dwarf? *T-3-71*
- Economic equality is the master-key to nonviolent independence. *MM-257*
- The prince and the peasant will not be equalized by cutting off the prince’s head. *MM-248*
- No two leaves were alike, and yet there is no antagonism between them or between the branches on which they grow. *T-7-115*
- Under ideal conditions, the barrister and the *bhangi* (sweeper) should both get the same payment. *T-8-63*
- If a single man demanded as much as a man with a wife and four children, then that would be a violation of the concept of economic equality. *T-7-47*
- “All men are born equal and free” is not Nature’s law in the literal sense. *MM-350*
- My idea of society is that while we are born equal, meaning that we have a right to equal opportunity, all have not the same capacity. *MM-266*
- Let no one try to justify the glaring difference between the classes and the masses, the prince and the pauper, by saying that the former need more. *T-7-47*
- The real implication of equal distribution is that each man shall have the wherewithal to supply all his natural needs and no more. *MM-268*
• The elephant needs a thousand times more food than the ant but that is not an indication of inequality. *T-7-47*

• No man is a true believer unless he desireth for his brother that which he desireth for himself. *T-7-309*

• How can I even secretly harbour the thought that my neighbour’s faith is inferior to mine? *T-3-257*

---

**Ethics**

• Teaching of fundamental ethics is undoubtedly a function of the state. *TIG-151*

• By religion I have not in mind fundamental ethics but what goes by the name of denominationalism. *EWE-31*

• To me God is Truth and Love; God is ethics and morality; God is fearlessness. *TIG-10*

---

**Euclid**

• Euclid’s line is one without breadth, but no one has so far been able to draw it and never will. *MM-131*

• If Euclid’s point, thought incapable of being drawn by human agency, has an imperishable value, my picture has its own for mankind to live. *MM-372*

• Absolute trusteeship is an abstraction like Euclid’s definition of a point, and its equally unattainable. *MM-372*

---

**Europe**

• Europe is today only nominally Christian. It is really worshipping Mammon. *TIG-143*
European civilization is no doubt suited for the Europeans but it will mean ruin for India, if we endeavour to copy it. *T-3-94*

An India prostrate at the feet of Europe can give no hope to humanity. *T-2-46*

A free India will claim to examine every European interest on its merits and that which conflicts with the national interest will go by the board. *T-5-192*

---

**Evil**

Not until we have reduced ourselves to nothingness can we conquer the evil in us. *TIG-56*

He who has a living faith in God will not do evil deeds with the name of God on his lips. *T-4-252*

Non-co-operation is a protest against an unwitting and unwilling participation in evil. *T-2-45*

Nonviolence does not signify that man must not fight against the enemy, and by enemy is meant the evil which men do, not human beings themselves. *T-8-281*

Real non-co-operation is non-co-operation with evil and not with the evildoer. *T-2-200*

In a strictly scientific sense God is at the bottom of both good and evil. *TIG-25*

Tolerance obviously does not disturb the distinction between right and wrong, or good and evil. *TIG-66*

---

**Evolution**

Like man, the meaning of great writings suffers evolution. *T-2-311*
• The religion of our conception, thus imperfect, is always subject to a process of evolution and re-interpretation. *TIG-65*

---

**Experiments**

• *My experiments I hold to be infinitely more important than the best equipped Himalayan expeditions. MM-8*

---

**Exploitation**

• *The divorce of intellect from body labour has made us perhaps the shortest-lived, most resourceless and most exploited nation on earth. T-3-289*

• *Exploitation and domination of one nation over another can have no place in a world striving to put an end to all war. T-7-2*

• *Through the deliverance of India, I seek to deliver the so-called weaker races of the earth from the crushing heels of Western exploitation in which England is the greatest partner. T-2-327*
Faith

- Faith becomes lame, when it ventures into matters pertaining to reason. T-7-36
- A faith gained in strength only when people were willing to lay down their lives for it. T-7-386
- Faith is like the Himalaya mountains which cannot possibly change. T-3-244
- Faith is not a delicate flower which would wither away under the slightest stormy weather. T-3-244
- Robust faith in oneself and brave trust of the opponent, so called or real, is the best safeguard. T-8-133
- Exercise of faith will be the safest where there is a clear determination summarily to reject all that is contrary to truth and love. T-2-313
- A living faith cannot be manufactured by the rule of majority. MM-341
- What is faith worth if it is not translated into action? T-5-180
- If you have faith in the cause and the means and in God, the hot sun will be cool for you. T-2-182
- It is poor faith that needs fair weather for standing firm. That alone is true faith that stands the foulest weather. XXV-337
- Nothing can be more hurtful to an honourable man than that he should be accused of bad faith. XX-160
- Faith is not imparted like secular subjects. It is given through the language of the heart. TIG-70
- Every living faith must have within itself the power of rejuvenation if it is to live. TIG-73
• Work without faith is like an attempt to reach the bottom of a bottomless pit. **MM-5**

• A man with a grain of faith in God never loses hope, because he ever believes in the ultimate triumph of Truth. **XXV-188**

• A man of faith does not bargain or stipulate with God. **XXV-88**

• Just as the body cannot exist without blood, so the soul needs the matchless and pure strength of faith. **TIG-112**

• Nonviolence succeeds only when we have a real living faith in God. **T-5-14**

• A *satyagrahi* should have a living faith in God. **T-5-92**

• The *Gita* is not for those who have no faith. **T-2-2**

• I am a seasoned soldier of nonviolence, and I have evidence enough to sustain my faith. **T-5-222**

• I have made the world’s faith in God my own and as my faith is effaceable, I regard that faith as amounting to experience. **TIG-4**

• I know nothing of the science of astrology and I consider it to be a science, if it is a science, of doubtful value, to be severely left alone by those who have any faith in Providence. **T-2-314**

• It is the faith and perseverance and single-mindedness with which Hitler has perfected his weapons of destruction that commands my admiration. **T-5-291**

• God’s word is: 'He who strives never perishes’. I have implicit faith in that promise. **TIG-4**

• My effort should never be to undermine another’s faith but to make him a better follower of his own faith. **T-2-343**

• My faith in non-co-operation is as bright as ever. **XXV-336**

• My faith is brightest in the midst of impenetrable darkness. **MM-132**
• My faith runs so very much faster than my reason that I can challenge the whole world and say, 'God is, was and ever shall be'. TIG-13

• The only tyrant I accept in this world is the 'still small voice' within. MM-14

• My implicit faith in nonviolence does mean yielding to minorities when they are really weak. MM-343

• Nonviolence is the first article of my faith. It is also the last article of my creed. T-2-97

• With me the connection between the cosmic phenomena and human behaviour is a living faith that draws me nearer to God, humbles me and makes me readier for facing Him. T-3-251

• Without a belief in my programme and without an acceptance of my condition, you will ruin me, ruin yourselves and ruin the cause. T-5-265

• All faiths constitute a revelation of Truth, but all are imperfect and liable to error. TIG-65

• Tolerance implies a gratuitous assumption of the inferiority of other faiths to one’s own. TIG-64

• What faith can you place in a general or a soldier who lacks resolution and determination, who says, 'I shall keep guard as long as I can'? T-2-365

• Can a general fight on the strength of soldiers, who, he knows, have no faith in him? T-5-266

• Decency requires that when a programme is approved by the majority, all should carry it out faithfully. T-5-225

• Even as a tree has a single trunk, but many branches and leaves, there is one religion but any number of faiths. TIG-65

• He who would in his own person test the fact of God’s presence can do so by a living faith. T-2-213

• If you have no character to lose, people will have no faith in you. T-3-34
- *Khaddar* is an activity that can absorb all the time of all available men and women and grown-up children, if they have faith. *XXV-365*

- Legal imposition avoids the necessity of honour or good faith. *XXVI-162*

- Prayer is an impossibility without a living faith in the presence of God within. *TIG-55*

- The renunciation of the *Gita* is the acid test of faith. *T-2-310*

- Those who are lacking in *bhakti* (devotion), lacking in faith, are ill qualified to interpret the scriptures. *TIG-96*

---

**Fast - Fasting**

- Fasting and prayer are common injunctions in my religion. *T-2-152*

- Fasting for light and penance is a hoary institution. *T-3-165*

- A pure fast, like duty, is its own reward. *T-8-247*

- Fasting is an institution as old as Adam. It has been resorted to for self-purification or for some ends, noble as well as ignoble. *T-5-61*

- A complete fast is a complete and literal denial of self. It is the truest prayer. *MM-35*

- A genuine fast cleanses the body, mind and soul. It crucifies the flesh and to that extent sets the soul free. *MM-35*

- Fasts should not be undertaken out of anger. Anger is a short madness. *T-8-5*

- All fasting and all penance must, as far as possible, be secret. *T-2-86*

- What the eyes are for the outer world, fasts are for the inner. *T-2-218*

- A fast to be true must be accompanied by a readiness to receive pure thoughts and determination to resist all Satan’s temptations. *TIG-52*
When a man fasts, it is not the gallons of water he drinks that sustains him, but God. *T-8-108*

*My fast is, among other things, meant to qualify me for achieving that equal and selfless love.* *T-2-151*

*My fast is a matter between God and myself.* *T-2-150*

*My religion teaches me that whenever there is distress which one can not remove, one must fast and pray.* *T-2-148*

*My austerities, fasting and prayers are, I know, of no value, if I rely upon them for reforming me.* *TIG-153*

---

**Fear - Fearless**

- Fear is a disease worse than malaria or kalaazar; these diseases kill the body, fear kills the soul. *T-2-304*
- Fear of disease kills more men than disease itself. *T-7-110*
- A fear-stricken person can never know God, and one who knows God will never fear the mortal man. *T-2-304*
- The fear of the judge within is more terrible than that of the one without. *T-2-47*
- Where there is fear, there is no religion. *T-2-230*
- There is always the fear of self-righteousness possessing us, the fear of arrogating to ourselves a superiority that we do not possess. *T-5-243*
- It is weakness which breeds fear, and fear breeds distrust. *T-2-133*
- There would be no one to frighten you if you refuse to be afraid. *T-2-302*
- The man who fears man falls from the estate of man. Fear God alone. *T-2-302*
• The greatest help you can give me is to banish fear from your hearts. *T-7-260*

• External fears cease of their own accord when once we have conquered these traitors within the camp. *MM-60*

• For a nonviolent person the whole world is one family. He will thus fear none, nor will others fear him. *T-5-304*

• Power is of two kinds. One is obtained by the fear of punishment and the other by acts of love. *XXV-563*

• Power based on love is a thousand times more effective and permanent than the one derived from fear of punishment. *XXV-563*

• A man who throws himself on God ceases to fear man. *T-2-369*

• It needs more than a heart of oak to shed all fear except the fear of God. *T-4-33*

• You will find that God is always by the side of the fearless. Therefore, we should fear Him alone and seek His protection. *T-7-273*

• The golden rule is to act fearlessly upon what one believes to be right. *MM-60*

• Fearlessness presupposes calmness and peace of mind. *MM-60*

---

**Fight**

• I am convinced that the masses do not want to fight if the leaders do not. *MM-400*

• *My fight against untouchability is a fight against the impure in humanity. T-3-168*
Fire

- An incendiary uses fire for destructive and nefarious purposes, a housewife makes daily use of it in preparing nourishing food for mankind. MM-448

Flag

- A national spirit is necessary for national existence. A flag is a material aid to the development of such a spirit. XXVI-544

Flattery

- Flattery and anger are the two sides of weakness, one the obverse, other the reverse. The reverse - anger - is worse than the obverse - flattery. XXV-574

Force

- Love is the subtest force in the world. XXV-392
- The force of nonviolence is infinitely more wonderful and subtle than the material forces of nature, like electricity. T-3-112
- The force generated by nonviolence is infinitely greater than the force of all the arms invented by man’s ingenuity. T-5-281
- The truth is that God is the force. He is the essence of life. He is pure and undefiled consciousness. He is eternal. TIG-84
- To conquer subtle passions, seems to me, to be harder by far than the physical conquest of the world by the force of arms. TIG-58
- The more efficient a force is, the more silent and the more subtle it is. XXV-392
**Foreign Cloth**

- Love of foreign cloth has brought foreign domination, pauperism and, what is worst, shame to many a home. *T-2-55*

- Untouchability of foreign cloth is as much a virtue with all of us as untouchability of the suppressed classes must be a sin with every devout Hindu. *T-2-53*

- In burning my foreign cloths, I burn my shame. *T-2-64*

---

**Forgiveness**

- Forgiveness is the quality of the brave, not of the cowardly. *MM-473*

- Forgiveness is a quality of the soul and therefore a positive quality. *MM-420*

- The weak can never forgive. Forgiveness is the attribute of the strong. *MM-421*

- A definite forgiveness would mean a definite recognition of our strength. *T-2-5*

- A mouse hardly forgives a cat when it allows itself to be torn to pieces by her. *T-24*

- Forgiveness adorns a soldier. *T-4-2*

- With enlightened forgiveness must come a mighty wave of strength in us, which would make it impossible for a Dyer and a Frank Johnson to heap affront on India’s devoted head. *T-2-4*

---

**Freedom**

- Freedom of a nation cannot be won by solitary acts of heroism, though they may be of the true type, never by heroism so called. *T-2-333*

- Freedom is like a birth. Till we are fully free, we are slaves. *MM-311*
- Freedom of worship, even of public speech, would become a farce if interference became the order of the day. *T-8-132*
- Freedom received though the efforts of others, however benevolent, cannot be retained when such effort is withdrawn. *T-5-276*
- Freedom battles are not fought without paying heavy prices. *T-5-57*
- No charter of freedom will be worth looking at which does not ensure the same measure of freedom for the minorities as for the majority. *T-5-201*
- No government on earth can make men, who have realized freedom in their hearts, salute against their will. *T-7-113*
- No society can possibly be built on a denial of individual freedom. *MM-312*
- When freedom is in jeopardy, non-co-operation may be a duty and prison may be a palace. *XXV-393*
- God demands nothing less than complete self-surrender as the price for the only real freedom that is worth having. *TIG-57*
- Is it not possible for us all to realize that the masses will never mount to freedom through murder? *T-5-258*
- True *ahimsa* should mean a complete freedom from ill-will, anger and hate and an overflowing love for all. *T-2-318*
- Bomb-throwers have discredited the cause of freedom, in whose name they threw the bombs. *T-2-357*
- There is nothing but nonviolence to fall back upon for retaining our freedom, even as we had to do for gaining it. *T-7-95*
- Freedom from all attachment is the realization of God as Truth. *TIG-37*
- Freedom of India will demonstrate to all the exploited races of the earth that their freedom is very near. *TIG-7-2*
- India’s freedom will not be won by violence but only by the purest suffering without retaliation. *XXV-277*
• We want freedom for our country, but not at the expense or exploitation of others, not so as to degrade other countries. *T-2-200*

• I do not want my house to be walled in on all sides and my windows to be stuffed. I want the cultures of all the lands to be blown about my house as freely as possible. But I refuse to be swept off my feet by any of them. *EWE-11*

• If any Englishman dedicated his life to securing the freedom of India, resisting tyranny and serving the land, I should welcome that Englishman as an Indian. *X-41*

• I would far rather that India perished than that she won freedom at the sacrifice of truth. *T-3-133*

• I would not sell the vital interests of the untouchables for the sake of winning freedom for India. *T-3-113*

• My interest in India’s freedom will cease if she adopts violent means, for their fruit will not be freedom but slavery in disguise. *T-2-126*

• For my own part, I do not want the freedom of India if it means extinction of England or the disappearance of Englishmen. *T-2-200*

• Through realization of freedom of India, I hope to realize and carry on the mission of brotherhood of man. *T-2-353*

• It will be hard to find a parallel in history in which unarmed people have represented the urge for freedom, turning their armlessness into the central means for deliverance. *T-5-193*

• Though we are politically free, we are hardly free from the subtle domination of the West. *EWE-28*

• Nothing depends upon the death of an individual, be he ever so great, but much depends upon the freedom of India. *T-2-314*

• A slave has not the freedom even to do the right thing. *T-2-6*
• A slave-holder, who has decided to abolish slavery, does not consult his slaves whether they desire freedom or not. *T-5-201*

---

**Friends - Friendship**

• Friends to be friends are not called upon to agree even on most points. *T-2-214*

• Death is no fiend, he is the truest of friends. He delivers us from agony. *T-2-237*

• It is the acid test of nonviolence that in a nonviolent conflict there is no rancour left behind, and in the end the enemies are converted into friends. *T-4-291*

• My attitude towards the English is one of utter friendliness and respect. *XXVI-52*
Gandhism

- If Gandhism means simply mechanically turning the spinning wheel, it deserves to be destroyed. *T-5-241*
- What is Gandhism but winning Swaraj by means of truth and nonviolence? *T-3-78*
- There is no such thing as ‘Gandhism’, and I do not want to leave any sect after me. *T-4-54*
- If our *ahimsa* is not of the brave, and if it will bend the knee before *himsa*, Gandhism deserves to be destroyed. *T-5-242*
- They might kill me but they cannot kill Gandhism. If truth can be killed, Gandhism can be killed. *T-3-78*
- Unless the *charkha* adds to your *ahimsa* and makes you stronger every day, your Gandhism is of little avail. *T-3-78*
- There is already enough superstition in our country. No effort should be spared to resist further addition in the shape of Gandhi worship. *XXV-334*
- Though a non-co-operator, I shall gladly subscribe to a bill to make it criminal for anybody to call me *mahatma* and to touch my feet. *T-2-257*
- Was it that you wanted to pull my leg by transporting me to the frozen Himalayan heights of ‘mahatmaship’ and claiming for yourself absolution from having to follow my precepts? *T-2-3*

Gentleness

- Nonviolent acts exert pressure far more effectively than violent acts for that pressure comes from good-will and gentleness. *XXV-473*
Germany

- Germans were defeated not because they were necessarily in the wrong, but because the allied powers were found to possess greater brute strength. *T-2-20*

- I am not just now thinking of India’s deliverance. It will come, but what will it be worth if England and France fall, or if they come out victorious over Germany ruined and humbled. *T-5-161*

- I must refuse to believe that Germans contemplate with equanimity the evacuation of cities like London for fear of destruction to be wrought by man's inhuman ingenuity. *T-5-161*

Gifts

- I fear the Greeks, especially when they bring gifts. *T-5-38*

- What we receive must be called a gift; for as debtors we are entitled to no consideration for the discharge of our obligations.*MOG-19*

God

- God accepts the sacrifice of the pure in heart. *T-2-377*

- God always saves the world from the consequences of unintended errors of men who live in fear of Him. *MM-46*

- God answers prayers in His own way, not ours. *MM-91*
God as Truth has been for me a treasure beyond price; may He be so to every one of us. *TIG-22*

God can never be realized by one who is not pure of heart. *TIG-57*

God cannot be so cruel and unjust as to make the distinctions of high and low between man and man, and woman and woman. *T-3-234*

God cannot be realized through intellect. *MM-72*

God chooses as His instrument the humblest and weakest of His creatures to fulfill Himself. *T-5-115*

God created man to work for his food and said that those who ate without work were thieves. *T-2-63*

God demands nothing less than self-surrender as the price for the only real freedom that is worth having. *MM-224*

God does not punish directly. His ways are inscrutable. *T-2-134*

God gifted man with intellect so that he might know his Maker. Man abused it so that he might forget his Maker. *X-28*

God-given religion is beyond all speech. *TIG-65*

God has a thousand names, or rather He is Nameless. *MM-78*

God has been described by all the scriptures of the world as protector and saviour of the sinner. *T-3-230*

God has blessed man with seed that has the highest potency and woman with a field richer than the richest earth to be found anywhere on his globe. *T-4-60*

God has blessed me with the mission to place nonviolence before the nation for adoption. *T-5-210*

God has enabled man to distinguish between his sister, his mother, his daughter and his wife. *MM-272*
- God has enabled me to affect the life of the country since 1920 without the necessity of office. *T-2-371*
- God has given us only a limited sphere of action and a limited vision. *T-2-326*
- God has His own way of choosing His instruments. *T-5-151*
- God has made of man and woman one complete whole. In the scheme of nature, both of them are equal. *T-7-380*
- God has so ordered this world that no one can keep his goodness or badness exclusively to himself. *MM-434*
- God Himself has reserved no right of revision of His own laws nor is there any need for Him for any such revision. *TIG-23*
- God is the hardest taskmaster I have known on this earth and He tries you through and through. *MM-50*
- God is the source of Light and Life and yet He is above and beyond all these. God is conscience. *XXVI-224*
- God is the vital force or spirit which is all-pervading, all-embracing and, therefore, beyond human ken. *MM-89*
- God is the shield of the nonviolent. *MM-126*
- God in his wisdom circumscribed man’s vision, and rightly too, for otherwise man’s conceit would know no bounds. *T-3-255*
- God is always the upholder of justice. *T-5-161*
- God is certainly one. He has no second. He is unfathomable, unknowable and unknown to the vast majority of mankind. *XXV-178*
- God is conscience. He is even the atheism of the atheist. *TIG-10*
- God is continuously in action, without resting for a single moment. *TIG-140*
- God is Light, not darkness. God is Love, not hate. God is truth, not untruth. God alone is great. *XXV-479*
- God is not a person. God is an eternal principle. *T-3-147*

• The fragrance of nonviolence was never sweeter than it was today amidst the stink of violence of the most cowardly type that was being displayed in the cities of India.  

• The way to Indian independence lay not through the sword but through mutual friendship and adjustment.  

• Jail-going is only the beginning, not the end of satyagraha. The acme of satyagraha for us would be to lay down our lives for the defence of India’s just cause.  

• The mentality which made one section of the Indians look upon another as enemies was suicidal; it could only serve to perpetuate their slavery.  

• Our non-co-operation is with the system the English have established in India, with the material civilization and its attendant greed and exploitation of the weak.  

• Nothing depends upon the death of an individual, be he ever so great, but much depends upon the freedom of India.  

• The whole of India was the home of every Indian who considered himself as one and behaved as such, no matter to what faith he belonged.  

• Many persons claiming different faiths make us one and an indivisible nation. All these have an equal claim to be the nationals of India.  

• The states can make the finest contribution to the building of India’s future independence if they set the right example in their own territories.

• Unity among the different races and the different religions of India is indispensable to the birth of national life.
• Swaraj means ability to regard every inhabitant of India as our own brother or sister. *T-2-51*

• Let us remember that we are all Indians eating Indian grain and salt, and living on the dumb Indian masses. *T-3-247*

• Final *Satyagraha* is inconceivable without an honorable peace between the several communities composing the Indian nation. *T-5-130*

• The West has yet to discover anything so hygienic as the Indian toothstick. *T-3-288*

• Idleness is the great plague of India. *XXV-601*

• There is every reason for being cautious about founding new universities till India has digested Her newly acquired freedom. *EWE-29*

• Basic education links children, whether of the cities or villages, to all that is best and lasting in India. *EWE-24*

• Of all the superstitions that affect India, none is so great as that a knowledge of the English language is necessary for imbibing ideas of liberty and developing accuracy of thought. *EWE-10*

• If there was any teacher in the world who insisted upon the inexorable law of cause and effect, it was Gautam, and yet my friends, the Buddhists outside India, would, if they could, avoid the effects of their own acts. *T-2-293*

• In this, of all the countries in the world, possession of inordinate wealth by individuals should be held as a crime against Indian humanity. *T-4-174*

• We must break through the provincial crust if we are to reach the core of all-India nationalism. *EWE-49*

• The commerce between India and Africa will be of ideas and services, not of the manufactured goods against raw materials after the fashion of the Western exploiters. *T-7-46*
• If untouchability lives, Hinduism perishes and even India perishes, but if untouchability is eradicated from the Hindu heart, root and branch, then Hinduism has a definite message for the world. *T-4-99*

• We Indians are one as no two Englishmen are. *X-27*

• The way to Indian independence lay not through the sword but through mutual friendship and adjustment. *T-7-323*

---

**Indiscipline**

• Indiscipline will surely mean disaster, and make one like me, who is pining to see Swaraj in his lifetime, perish in sorrow and grief. *T-3-64*

---

**Individualism**

• Unrestricted individualism is the law of the beast of the jungle. *MM-312*

---

**Inequality**

• The world ‘inequality’ has a bad odour about it, and it has led to arrogance and inhumanities both in the East and West. *MM-419*

• Diversity there certainly is in the world, but it means neither inequality nor untouchability. *T-3-230*

---

- For infallible guidance man has to have a perfectly innocent heart incapable of evil. *MM-70*

---

- Individual liberty and interdependence are both essential for life in society. Only a Robinson Crusoe can afford to be all self-sufficient. *MM-439*

---

**Internationalism**

- Internationalism is possible only when nationalism becomes a fact. *MM-436*
Intolerance

- All criticism is not intolerance. I have criticized the revolutionary because I have felt for him. He has the same right to hold me to be in error as I believe him to be in error. *XXVI-141*
- Intolerance of criticism, even of what one may prize as dear as life itself, is not conducive to the growth of public corporate life. *T-3-64*

Iron

- If gold were as easily available as iron, it would not, for all its glitter, have the same value that it has today. *XXV-298*

Islam

- Islam stands for the unity and brotherhood of mankind, and not for disrupting the oneness of the human family. *T-7-221*
- Islam was born in an environment where the sword was and still remains the supreme law. *T-2-237*
- Islam was nothing if it did not spell complete democracy. *T-7-312*
- Its unadulterated belief in the oneness of God and a practical application of the truth of the brotherhood of man for those who are nominally within its fold are two distinctive contributions of Islam. *T-2-341*
- The very word Islam means peace, which is nonviolence. *T-5-172*
- Surely Islam has nothing to fear from criticism even if it be unreasonable. *XXVI-227*
- Though philosophical Hinduism has no other god but God, it cannot be denied that practical Hinduism is not so emphatically uncompromising as Islam. *T-2-341*
• The early Mussalmans accepted Islam not because they knew it to be revealed but because it appealed to their virgin reason. XXVI-226

• A perfect Muslim is he from whose tongue and hands mankind is safe. T-7-309

- Newspapers today have almost replaced the *Bible*, the *Koran*, the *Gita* and other religious scriptures. *T-7-314*
• The press is called the Fourth Estate. It is definitely a power, but, to misuse that power is criminal. *T-7-375*

• Newspapers should be read for the study of facts. They should not be allowed to kill the habit of independent thinking. *T-7-116*

K

Karma Yoga

- This dharma in the original (Gita) refers to karma yoga, and the karma yoga of our age is the spinning wheel. BUNCH-25
- The biggest of karmayogis never gives up devotional songs or worship. TIG-137

Khadi - Khaddar

- Khadi is the sun of the village solar system. T-4-4
- Khadder was conceived with a much more ambitious object, that is, to make our villages starvation-proof. T-3-292
- The khadi spirit means fellow-feeling with every human being on earth. T-2-281
- The khadi spirit means also an infinite patience. T-2-2811
- Khadder delivers the poor from the bonds of the rich and creates a moral and spiritual bond between the classes and the masses. T-2-255
- Khadder does not displace a single cottage industry. T-2-255
- Khadder brings a ray of hope to the widow’s broken-up home. T-2-256
- Khadder has the greatest organizing power in it because it has itself to be organized and because it affects all India. T-2-256
- Khadder is an activity that can absorb all the time of all available men and women and grown-up children, if they have faith. XV-365
- Khadi service, village service and Harijan service are one in reality, though three in name. T-4-39
- Khadi will be the sun of the whole industrial solar system. T-4-7
- *Khadi* mentality means decentralization of the production and distribution of the necessaries of life. *MM-406*

- *Khadi* has been conceived as the foundation and the image of *ahimsa*. A real *khadi*-wearer will not utter an untruth. A real *khadi*-wearer will harbour no violence, no deceit, no impurity. *T-4-217*

- I would ask you to come in *Khadi*, for *Khadi* links you with the fallen and the down-trodden. *T-2-269*

- Even if masses of people were to burn *khadi* publicly and say that it is an insane programme, I will declare that those people have gone mad. *T-2-236*

- *My swadeshi* chiefly centers round the hand-spun *khaddar* and extends to everything that can be and is produced in India. *XXVI-279*

- *Khaddar* of my conception is that hand-spun fabric which takes entirely the place of mill cloth in India. *T-7-380*

- *Khadi* to me is the symbol of unity of Indian humanity, of its economic freedom and equality and, therefore, ultimately, in the poetic expression of Jawaharlal Nehru, ‘the livery of India’s freedom’. *T-6-20*

- *Khadi* will cease to have any value in my eyes if it does not usefully employ the millions. *T-7-187*

- All the other industries will receive warmth and sustenance from *khadi* industry. *T-4-7*

- Boycott brought about anyhow of British cloth cannot yield the same results as such boycott brought about by hand spinning and khaddar. *XXV-475*

- Coal is not dear for the coal-miner who can use it there and then, nor is *khadi* dear for the villager who manufactures his own *khadi*. *T-4-3*

- Even as *satyagraha* is a weapon unique of its kind and not one of the ordinary weapons used by people, so is Khadi, a unique article of commerce which will not, cannot, succeed on terms common to other articles. *T-2-282*
• For a firm believer in swadeshi, there need be no Pharisaical self-satisfaction in wearing khadi. *T-2-56*

• If we have the khadi spirit in us, then we should surround ourselves with simplicity in every walk of life. *T-2-281*

• Organization of khaddar is infinitely better than co-operative societies or any other form of village organization. *XXV-474*

• The art that is in the machine-made article, appeals only to the eye; the art in Khadi appeals first to the heart and then to the eye. *T-3-292*

• The foundation of service and your real training lie in spinning khaddar. *XXVI-378*

• Khadi work without the mastery of the science of khadi will be love’s labour lost in terms of Swaraj. *T-7-36*

• The message of khaddar can penetrate to the remotest villages if we only will that it shall be so. *T-2-244*

• The only real and reliable guarantee for khadi would be honesty, truthfulness and sincerity of khadi workers. *T-7-20*

• The singular secret of khaddar lies in its salability in the place of its production and use by the manufacturers themselves. *T-3-293*

• Through Khadi we teach the people the art of civil obedience to an institution which they have built up for themselves. *T-4-10*

• Without proper careful organization of the spinning wheel and khaddar, there is absolutely no civil disobedience. *XXVI-246*

---

**Kisan**

• No one tells the cultivator to take breathing exercises or to work his muscles. *MM-199*

• The Congress is nothing if it does not represent the kisans. *T-3-104*

- Knowledge without devotion will be like a misfire. *T-2-309*
- Knowledge and devotion, to be true, have to stand the test of renunciation of the fruits of action. *T-2-309*
- True knowledge gives a moral standing and moral strength. *MM-368*
- The dry knowledge of the three R’s is not even now, it can never be, a permanent part of the villagers’ life. *EWE-29*
- Krishna of the *Gita* is perfection and right knowledge personified; but the picture is imaginary. *MOG-4*
- What will tell in the end will be character and not a knowledge of letters. *XXVI-294-5*
- Without devotion, action and knowledge are cold and dry and many even become shackles. *1*
- Knowledge of the tallest scientist or the greatest spiritualist is like a particle of dust. *MM-77*
- In order that knowledge may not run riot, the author of the *Gita* has insisted on devotion accompanying it and has given it the first place. *T-2-308*
- Renunciation is the central sun, round which devotion, knowledge and the rest revolve like planets. *T-2-308*
Labour

- Capital exploits the labour of a few to multiply itself. *MM-339*
- Every labourer is worthy of his hire. No country can produce thousands of unpaid whole-time workers. *XXV-485*
- Is not labour, like learning, its own reward? *T-3-300*
- Labour has its unique place in a cultured human family. *MM-373*
- Labour is priceless, not gold. *T-8-97*
- Labour is a great leveler of all distinctions. *T-8-97*
- No labour is too mean for one who wants to earn an honest penny. *MM-204*
- There is a world-wide conflict between capital and labour, and the poor envy the rich. *MM-199*
- The saving of labour of the individual should be the object and honest humanitarian considerations, and not greed, the motive. *XXV-252*
- Unless our hands go hand in hand with our heads, we will be able to do nothing whatsoever. *XXVI-302*
- Useful manual labour, intelligently performed, is the means *par excellence* for developing the intellect. *MM-379*
- I do not regard capital to be the enemy of labour. *T-2-257*
- I call myself a labourer because I take pride in calling myself a spinner, weaver, farmer and scavenger. *XXVI-379*
- A labourer cannot sit at the table and write, but a man who has worked at the table all his life can certainly take to physical labour. *T-2-63*
- A plea of the spinning wheel is a plea for recognizing the dignity of labour. *T-2-63*
• A scavenger who works in His service shares equal distinction with a king who uses his gifts in His name and is a mere trustee. *MM-202*

• A true and nonviolent combination of labour would act like a magnet attracting to it all the needed capital. *T-8-97*

• A worker’s capital is inexhaustible, incapable of being stolen, and bound to pay him a generous dividend all the time. *XIV-217*

• Each and every one of you should consider himself to be a trustee for the welfare of the rest of his fellow labourers and not be self-seeking. *T-2-297*

• If everybody lives by the sweat of his brow, the earth will become a paradise. *MM-200*

• It is a sad thing that our schoolboys look upon manual labour with disfavour, if not contempt. *EWE-20*

• Labour, because it chose to remain unintelligent, either became subservient, or insolently believed in damaging the capitalists’ goods and machinery or even in killing the capitalists. *T-8-97*

• *Mere mental, that is, intellectual labour, is for the soul and has its own satisfaction. T-4-36*

• Nothing will demoralize the nation so much as that we should learn to despise labour. *EWE-25*

• Our children should not be so taught as to despise labour. *EWE-20*

• Obedience to the law of bread labour will bring about a silent revolution in the structure of society. *MM-200*

• Employers ganging up against workers is like raising an army of elephants against ants. *XX-333*

• The rich cannot accumulate wealth without the co-operation of the poor in society. *MM-271*
• This mad rush for wealth must cease and the labourer must be assured not only of a living wage but, also a daily task that is not mere drudgery. *T-2-161*

• What the two hands of the labourer can achieve, the capitalist will never get with all his gold and silver. *T-7-33*

• Where there are millions upon millions of units of idle labour, it is no use thinking of labour-saving devices. *T-4-24*

---

**Language**

• A language is an exact reflection of the character and growth of its speakers. *EWE-13*

• Language is at best an imperfect medium of expression. No man can fully express in words what he feels or thinks. *T-7-145*

• The language of a people who produce hard workers, literary experts, businessmen and enterprising persons, spreads and is enriched. *T-7-51*

• It is rarely that language succeeds as a vehicle of thought. More often than not it conceals thought. Always language circumscribes thought. *XX-5*

• There never was a greater superstition, than, that a particular language can be incapable of expansion or expressing abstruse or scientific ideas. *EWE-12*

• Man can only describe God in his own poor language. *TIG-45*

• If we have listening ears, God speaks to us in our own language, whatever that language be. *T-7-110*

• The Law and the Lawgiver are one.  

  T-2-313

• Affection cannot be manufactured or regulated by law.  

  T-2-100

  MM-77

• A satyagrahi cannot go to law for a personal wrong.  

  XXV-163

• Where death without resistance or death after resistance is the only way, neither party should think of resorting to law-courts or help from the government.

  T-7-218

Learning

• Learning takes us through many stages in life but it fails us utterly in the hours of danger and temptation.  

  XXVI-28

• Persistent questioning and healthy inquisitiveness are the first requisites for acquiring learning of any kind.  

  MM-377

• The one condition for fighting for peace and liberty is to acquire self-restraint. *XXVI-45*
