Ba-Bapu150 Initiative Programme Head (Executive Manager)

LAST DATE FOR APPLICATION: SEPT 15, 2018

Job Profile

Commemorating the 150th birth anniversary of Mahatma Gandhi and Kasturba Gandhi, a new initiative “Ba-Bapu150” is being promoted by the Gandhi Research Foundation (Jalgaon), in association with Jain Irrigation Systems Limited and other resource- and knowledge partners, targeting the comprehensive socio-economic and systemic transformation of 150 villages across eight states of India. The programme will develop a unique, multi-disciplinary and participatory model for enabling self-sustenance of the rural communities with the spirit of Sarvodaya. It will integrate a broad range of best practices from the partner organizations related to economic- and agro-entrepreneurial development, youth, gender, advanced infrastructure, social sectors and sustainability.

We require a programme head with immediate effect
