Stories about Bravery and Valour of Freedom Fighters

Small Ideas. Big Revolutions.®

Freedom is not just another word; it extends beyond and becomes a way of life. Along with bread, cloth and shelter, freedom is what everyone needs. Mahatma Gandhi in Harijan (10-12-1938) says, 'Freedom is the breath of life'. The state of slavery is a state of hell. That's why many of our freedom fighters sacrificed their lives to get freedom for the nation.

Our freedom fighters have played a pivotal role in India's freedom movement. Let us all remember them on the occasion of 75th anniversary of Indian Independence and be inspired by their immortal bravery.

चलो करें हम उनकी ज्वाला का फिर से आवाहन,  
उनकी सुधि की ज्योति जलाकर करें उन्हीं का वंदन।

(Let us resurrect be their flame again,  
Worship them by lighting the flame of their memory.)

**Prepare a drama on the life of the freedom fighter, revolutionary of your district  
and it must be based on real incident.**
