## ABOUT THE COLLEGE

The Hyderabad (Sind) National Collegiate Board [H.(S.)N.C. Board] was founded in the year 1921 in an undivided India. The Late Vidyasagar Principal K. M. Kundnani and Late Barrister H. G. Advani, the founding fathers of the Board, fought against the onslaught of the circumstances after the partition and established many educational institutions in and around Mumbai. One of them, Kishinchand Chellaram College (K. C.), established in 1954, is one of the premier institutions affiliated to the University of Mumbai and recognized by the Government of Maharashtra. Adjudged the Best College (Urban Area) by the University of Mumbai, the institution has created a benchmark in the field of education. Re-accredited 'A grade' by NAAC, KC is recognised as one of the finest colleges in South Mumbai, which lays great emphasis on the holistic development of its students. The college offers a vast range of courses at the undergraduate, graduate and post graduate levels.

## ABOUT THE DEPARTMENT OF HISTORY

Department of History, established in 1954 is one of the earliest departments in K. C. College. We have History as a major subject at T.Y.B.A. level with six papers. The Department has qualified and experienced teaching staff.

## ABOUT THE SEWAGRAM COLLECTIVE

The Sewagram Collective is a community of individuals - writers, artists, scientists, activists, professionals, media persons and several others who believe in the Gandhian Idea of India and have come together to celebrate sesquicentennial birth anniversary of Kasturba and Gandhiji.

## ABOUT THE CONFERENCE

The conference has been organized to celebrate the sesquicentennial birth anniversary of Kasturba and Gandhiji. It aims at becoming a vehicle to carry forward the legacy of their philosophy. Dr. Martin Luther King Jr. said, "Gandhi is inescapable... We may ignore him at our own risk." Gandhiji is not only the Father of our Nation but also the polar star emitting ray of hope to the world groping in the darkness of violence. Sarvodaya, combining internal and external harmony, is the only sustainable solution on the challenges baffling the world. The conference will help to understand Gandhiji in the context of India

and the world of 21st century and seek a new purpose and direction for the future.

One has to acknowledge the contribution of Kasturba in the life and career of Gandhiji and the struggle for freedom. She was not only a wife but also a companion, colleague and a friend of Gandhiji during his journey from a Barrister to the Mahatma. She preserved her identity even in the shadow of Gandhiji's towering personality.

## OBJECTIVES OF THE CONFERENCE

- 1) To present unknown facets of Kasturba and Gandhiji's life, work and philosophy.
- 2) To analyse the emerging challenges of the 21<sup>st</sup> century before India and the world and to seek solutions to them through Gandhian perspective.
- 3) To present a spectrum of people-renowned and relatively unknown, who are exploring Gandhiji through their own lenses.
